

## UC Rally Committee Meeting Agenda: September 8th, 2010

Welcome everyone! My name is Becca Canote and I'm your Secretary this year. As I'm sure you know, I write the agendas each week for you to read if you didn't catch everything in the meeting, or if you weren't able to attend, to see what went down.

A few quick notes for Calmail users, since Gmail vs. Calmail has suddenly become like new Mac v. PC feud:

**If you use Squirrelmail:** if you cannot see this agenda in Blue or Gold, edit your Calmail options: Click Options, then Display Preferences, then under Message Display and Composition, check "Show HTML Version by Default."

**If you use Roundcube:** If you cannot see this agenda in Blue and Gold, go to "Personal Settings," and under Preferences, put a check next to "Display HTML"

### **Welcome!!**

OHHHHHHHH JEEZ! WHAT A GAME! TRUE freshman Wide Receiver Keenan Allen was a total BEAST, senior QB Kevin Riley got a laser attached to his arm in the off season, and the Bears brought a through rout down on the Aggies from the University of California Agricultural Station. That's right, folks, the Aggies were once our farm and we were nice enough to let them eventually become their own campus. Now we're looking forward to the Cal-Colorado game, where our Golden Bears are taking on the University of Colorado Buffalos. Anyone else in the mood for wings?

### **Noon Rally**

Where: Sproul Plaza

When: Friday at NOON!

Why: Because we all love Cal football, and getting the student body pumped for the game again the Buffs is what we do best. Also, we look like BAMFs in our rugbies, so lets show them off.

### **Cookie Baking**

Do you love om-nom-nom-ing? Of course you do, you're a college student, and we all love om-nom-nom-ing. So kick it with Katie, and bake some delicious cookies at her place (2319 Prospect) at 1PM. Hang around after the Noon Rally, and Katie will meet you on Sproul Plaza or head up to her place at 1.

### **Midnight Singing**

Where? Campanile Esplanade

When? Midnight, duh.

Why? Because we can't let Nick have all the cookies that we made, and there's no better way to ring in a gameday than by singing Cal songs with your amigos at Midnight. Remember, no rugbies since its not an official committee event.

## **Gameday**

Who the heck thought that a bunch of farmers would be able to beat the Bears? That's right, no one in their right mind!!! But! Now its time to look ahead, and focus our sights on the University of Colorado Buffalo. Guess what, Bears eat Buffalo, because Buffalo are tasty, delicious cow-like animals and don't have possible thumbs, which makes throwing a football pretty dang tough.

## **Rugby Policy/Uniform**

Remember that our Rugby is our uniform. It is a symbol of our organization, and is highly recognizable on campus. When wearing your Rugby, act as an Ambassador of the University, so no illegal shenanigans, drinking, mind-altering substance ingesting, fighting, or other such disreputable acts while wearing or just prior to wearing your Rugby.

If you have a Gameday job, excluding Spellout and Cannon Crew, you need to wear our Gameday uniform. This consists of your Rugby, a blue shirt underneath, khakis (shorts or pants) and, preferably, brown or black shoes that you can run/walk/stand in comfortably. Your shorts need to be longer than your rugby, and shoes should be comfortable.

## **Game Day Jobs**

### **Flags**

Wave one of the Cal Flags on the field during the Cal-Colorado game!!

-Only a one (1) quarter commitment, so you can still do Banner Guard or Walking Banner. Gameday Job Uniform applies.

Either sign-up at the meeting, or e-mail Ryan at [ucrc.athletics@gmail.com](mailto:ucrc.athletics@gmail.com)

### **Banner Guard**

Do you like a cool breeze in your hair? Tasty cookies? Have you ever been so close to Baileys that you got your eye's wet? Then sign up for Banner Guard.

-One (1) quarter commitment to hang with Nick at the top of the Student Section and guard the California Banner. Gameday Job Uniform applies.

Sign-up at the meeting, or e-mail Nick at [ucrc.security@gmail.com](mailto:ucrc.security@gmail.com)

### **Walking Banner**

Do you also enjoy a cool breeze in your hair? Like a banner that moves? Want to kick it with the Cal Band, Mic Men, Dance Team, alumni, fans, and take part in one of Cal's most unique traditions, all while leading the mosey from Sproul Hall to Memorial Stadium? Then sign up for Walking Banner!!

-Pre-Game Game Day job, so you're free to do any of the other Game Day jobs, save Cannon Crew. Gameday Job Uniform applies.

Either sign-up at the meeting, or e-mail Becca at [ucrc.secretary@gmail.com](mailto:ucrc.secretary@gmail.com) to sign up.

## **Cannon Crew**

More cool breezes, more tasty food, but this time they're coupled with 1.4G explosives and the best view of the stadium you could ask for. Join Matt and Kristin in firing the California Victory Cannon, because there's nothing like telling the opposing team that they totally blow that with a deafening explosion.

-Full game commitment. Sorry folks, but you can't do another Gameday Job in tandem with Cannon Crew. Not that you'd want to though, Cannon Crew is friggin' awesome. Like I said, there are explosives.

Either sign-up at the meeting, or contact Matt & Kristin at [ucrc.cannoneers@gmail.com](mailto:ucrc.cannoneers@gmail.com) to sign up. If you have signed up, look for their e-mail regarding your Gameday schedule.

## **Spellout**

Do you like being shirtless? Okay with having a funky tan line (ask Tal about her 'I' point...)? Down to be the face of the ENTIRE FREAKIN' STUDENT SECTION by standing in the front row this Saturday????? Then sign up to be a part of Spellout!

-Full game commitment, can't have the "A," "F," or some other letter leaving half way through. "Cali\_ornia Go\_en\_ears" just doesn't have the same effect...

-Girls need to wear a white sports bra, that they are fine getting paint on. I'd suggest shorts/pants that you don't mind getting some paint on either.

Sign-up at the meeting, or e-mail Patrick at [ucrc.vcspirit@gmail.com](mailto:ucrc.vcspirit@gmail.com) to sign-up.

## **Haas Lock-in!!**

This Saturday, we're hosting our annual Haas Lock-in!! Come spend the night in Haas Pavilion, kicking it with the Committee and having an awesome time doing things other than sleeping. Because if you sleep, we will find you. And do things to you. Its like falling asleep with your shoes on at a party, just a bad idea. Jackson is promising a "fun-filled night of adventure" and you know that when Jackson promises something like that, he's always going to be good on his word. ;P

We're also hosting a Bake Off, so bring your favorite baked good or snack food to the shindig and the winner will get some kind of prize. Probably a hug from J-Bear, or something equally as awesome.

Where: Haas Pavilion

When: This Saturday following the Colorado game. Get there by 10PM or you're locked out!

Why: Because you haven't lived until you've hooped on the boards like the Men's B-Ball team, or raced a giant bouncy exercise ball thingy around the 3rd floor concourse. Plus, you'll get to play Sardines, and Sardines is awesome.

E-mail Megan at [ucrc.membership@gmail.com](mailto:ucrc.membership@gmail.com) with any questions, or contact Jackson at [ucrc.memberevents@gmail.com](mailto:ucrc.memberevents@gmail.com) if you can bring anything like a video game system, controllers, etc.

Do you love shagging? Because Ryan loves shagging, and he wants to share that love with you! He needs at least 5 shaggers for every volleyball, and trust me, its an awesome experience. If you want to help out the ladies of the Cal Women's Volleyball team and your DoA, e-mail Ryan at [atucrc.athletics@gmail.com](mailto:atucrc.athletics@gmail.com) to sign up.

### **Flag Waving Practice**

If you want to wave the Cal Flags at any of the football games or small sports, you need to attend at least one Flag Waving Practice!! Ryan will be holding the next practice on the north side of VLSB, this Thursday @ 1PM. Contact him at [ucrc.athletics@gmail.com](mailto:ucrc.athletics@gmail.com) with any questions.

### **Card Sorting**

Remember when you were all total beasts and did ALL of card sorting in one sitting???? Well, you all were amazing and as a result, there isn't going to be another sorting until AFTER the Colorado game. Also, mad props to your friends in the Student Section, because the stunts looked awesome on Saturday.

That being said, the next Card Sorting will be held on Monday, September 13th from 2-5PM at Memorial Stadium. We need to use that 3 week break to get ahead and be ready to go for fUCLA and the mad dash of home games that follow. No need to stay the whole time, even 15 minutes helps.

Kendall will send out a reminder e-mail closer to the actual event, but feel free to contact her at [atucrc.stunts@gmail.com](mailto:atucrc.stunts@gmail.com) with any questions.

### **Lands End Stewardship Project**

Come out to Lands End Park near SF with the Committee on Saturday, September 18th! We'll be pitching in to clean up the beach and repair trail heads at a super awesome beach just north of SF. Jenny will be taking sign-ups for the clean-up, as well as driver sign-ups. E-mail her at [atucrc.communityrelations@gmail.com](mailto:atucrc.communityrelations@gmail.com) for sign-ups and more info!

When? Saturday, September 18th from 1-4PM

Where? Lands End Beach just north of SF

Why? Because the beach is awesome, and we want to keep it lookin' all shiny!

# Marketing Madness!!!

## Touchdown Mondays

Who doesn't love discounts? I know I do, discounts make me jump for joy. And the only thing that makes me jump for more joy than a discount, is a discount at the Cal Student Store AND Mario's La Fiesta. That's right, folks, you can get mucho dinero off your purchases this coming Monday depending on how our Golden Bears do down on the gridiron this Saturday. Each touchdown is worth 3% off, so the more touchdowns, the bigger the discount. We racked up 52 points against Davis for 25% off, lets see if we can top it this week!

When: Monday after any football game.

Where: Cal Student Store AND Mario's La Fiesta

What: 3% off per touchdown on all general merchandise, gift items and general books at the Student Store, and all menu items at Mario's. Be sure to ask for the discount at the register!

Why? Because saving moolah is amazing!!

## Website

Ch-ch-ch-check it out! Sasha's keeping the website updated with all the current events, calendars and recent meeting agendas so that you have place to check into when you need it! you can also stalk ExComm....but who would ever want to do that....winkwinknudge. The url is [www.ucrc.berkeley.edu](http://www.ucrc.berkeley.edu).

## Becca's Bear Bite

The story of the Treaty of Castle Lanes. In short, 'furd steals the Cannon, we steal their card stunt cards. A judge, some tear gas, and a Colt .45 later, all is well and the Cannon is safe. Also, 'furd never did another Card Stunt. Boom! Look it up, its pretty awesome!

## Closing

After the fun fact of the week, Katie closed the meeting with 'Sons of California,' one of the band's favorite tunes and a song all of know quite well. Though apparently Becca put up slightly different lyrics than we're all used to.....whoops! Blame Google.

That's all folks! See you on Friday for the Noon Rally!

-Becca
